## 1 Retraction Note: EURASIP Journal on Advances in Signal Processing (2021) 2021:115 <https://doi.org/10.1186/s13634-021-00818-3>

The Editor-in-Chief and the publisher have retracted this article. The article was submitted to be part of a guest-edited issue. An investigation by the publisher found a number of articles, including this one, with a number of concerns, including but not limited to compromised editorial handling and peer review process, inappropriate or irrelevant references, or not being in the scope of the journal or guest-edited issue. Based on the investigation's findings, the Editor-in-Chief therefore no longer has confidence in the results and conclusions of this article.

The author has not responded to correspondence regarding this retraction.

Published online: 10 September 2022
